In today's world, Social Workers have never been more important and needed. A Bachelor of Social Work degree will lead you to a value based, meaningful and rewarding career that helps to change our world for the better. Social Workers are on the front lines everywhere you look including health care, immigration, aging, homelessness, education, addiction, juvenile justice, and much more.

In our Program:

1. You will benefit from our Program's high-level of support and solidarity with students to include a completely no cost textbook program.
2. You will learn to engage in cultural humility with people from diverse backgrounds.
3. You will become a Social Worker who works to create equality and justice for all persons.

The Profession of Social Work is grounded in the six core values of Service, Social Justice, Dignity and Worth of the Person, Importance of Human Relationships, Integrity, and Competence.

About the Program

This is a 120-hour-credit program. Through field education and field placement, you will demonstrate mastery of the nine competencies that comprise the accreditation standards of the Council on Social Work Education.

Goals

- **Model** a caring and collaborative educational environment where students, faculty, and staff are valued for their strengths, background, and life experiences.
- **Provide** opportunities for students to gain awareness of their thoughts and feelings and critically reflect on their alignment with social work values.
- **Equip** future social workers for anti-oppressive practice and leadership in diverse communities through innovative classroom practice and learning.
- **Nurture** intellectual curiosity, demystify graduate education, and promote community through professional organizations for life-long learning and service.

Bachelor of **SOCIAL WORK**

Vision

To create a community that heals, nurtures, and enhances wellbeing for all people.

Mission

The UHD BSW Program prepares future Social Workers as change agents committed to inclusion, equity, and justice through innovation, collaboration, and service.
