**Computer Science Schedule of Upper-Level CS electives Offerings**

**Courses offered in Fall**

| | |
|---|---|
| CS 3300 | Object-Oriented Programming and Concepts |
| CS 3324 | Computer Network Architecture |
| CS 4300 | Web Programming |
| CS 4319 | Statistical and Machine Learning |
| CS 4326 | Network Security |
| CS 4332 | Artificial Intelligence |

**Courses offered in Spring**

| | |
|---|---|
| CS 3300 | Object-Oriented Programming and Concepts |
| CS 3318 | Introduction to Computer Security |
| CS 3319 | Internet of Things |
| CS 3331 | Introduction to Robotics |
| CS 4317 | Natural Language Processing |
| CS 4319 | Statistical and Machine Learning |
| CS 4332 | Artificial Intelligence |

**Courses offered in Summer**

| | |
|---|---|
| CS 3310 | Fundamentals of Game Development |
| CS 3318 | Introduction to Computer Security |
| CS 3319 | Internet of Things |
| CS 3331 | Introduction to Robotics |
| CS 4329 | Introduction to Bioinformatics |
| CS 4337 | Human Computer Interaction |
