## HOW IT WORKS

### SHOP

When your doctor recommends a procedure or service, use Provider Finder<sup>®</sup> to find out if it is eligible for a reward and where it can be performed.

### GO

Have your procedure or service at the HealthSelectShoppERS reward-eligible location you select. You can earn rewards on services like ultrasounds and mammograms, CT scans and MRIs, and procedures like knee, shoulder, and hip surgery.

### EARN

Once your claim for your procedure or service is processed by BCBSTX—usually within 30 days—your incentive is deposited into your health care flexible spending account (FSA).

**NOTE:** If you are enrolled in Consumer Directed HealthSelect, any reward you earn will be deposited into a limited purpose FSA. Your incentive can only be used for eligible vision and dental expenses.
